OUTDOOR LEARNING

Join the National Education Nature Park's North West team in a practical training session focused on exploring nature through activities which work across the seasons and in all outdoor spaces (even on the playground).

We will be trying a range of activities which can support your curriculum teaching, add pupil engagement into climate action planning, and develop pupil's teamwork, communication and creativity.

TUESDAY

25th

MAY

9:15am - 12:30pm
Moor Row Primary School, CA24 3JW

- **Introductory activities for developing comfort and confidence in exploring our school's outside spaces for nature.**
- **Unplugged/ non-digital activities to record, categorise and visualise the biodiversity of the school site**
- **Exploring habitat types in Science and developing fieldwork skills in Geography**
- **Activities to support pupil voice in climate action**

FREE to Schools Outdoor Learning Network members.
Please contact: gina@littlechatters.co.uk if you are not a network school and would like to access this training.

This CPD will be followed in the afternoon by a meeting for the Schools Outdoor Learning Network from 1:30 - 4:30pm. Please do get in touch if this is also of interest.
