

Schools Outdoor Learning Network

Sharing good practise in Outdoor Learning in all its many forms!

The network is kindly supported by the Ernest Cook Trust and The Outdoor Partnership

An invitation to all West Cumbrian Primary, SEND and AP Schools interested or actively involved in Outdoor Learning to 2 FREE CPD events.

Wednesday 11th March, 4 – 5:30pm – ONLINE meeting

Exploring collaboratively:

- What is Outdoor Learning and Why is Important?
- What are our areas of expertise and need?
- What support is available through the established Outdoor Learning Network for schools?

The established Outdoor Learning Network includes schools from Cumbria, Lancashire and North Yorkshire. More about the wider network can be found [here](#).

Wednesday 20th March, 1:30 – 4:30pm

St. Begh's Catholic Junior School, Coach Road, Whitehaven, Cumbria CA28 7TD

"Teachers are becoming increasingly aware of the importance and benefits of learning outdoors. The Outdoor Learning Network offers support and ideas to overcome any perceived barriers, so that lessons can routinely be taken out of the classroom. The network provides the opportunity to share good practice and celebrate the successes, including improved outcomes for children, engagement and enjoyment. "

Linda Pye, Headteacher at Ryelands Primary and Nursery School, Lancaster
